Parrots squawking
Snakes are snaking
Monkeys swinging
Ground's a-shaking

Jungle smoking
Sparks are flying
Beasts have got no
Place to hide in

(Chorus) Fire's coming
Coming through the jungle
Fire's coming
Coming through the jungle

Ants are marching
Lions roaring
Frogs are leaping
Vultures soaring

Branches blazing
Flames rise higher
Watch out, Hippo
Here comes Fire!

(Chorus) Fire's coming
Coming through the jungle
Fire's coming
Coming through the jungle

Fire's coming
Coming through the jungle
Fire's coming
Coming through the jungle
