

Bring Lessons to Life through *Drama Techniques*

A teacher training course for all:

- primary • secondary • adult educators • youth workers

For those who wish to update their knowledge on teaching strategies, share enjoyable and effective theatrical techniques with colleagues from other countries and practice many drama activities in the students' role.

An in-depth course to engage your students in learning across the curriculum

David Farmer, drama expert, www.dramaresource.com guides you through activities which can be applied to:
**sciences • history • geography • literacy
arts • mathematics • citizenship • language**

- Explore a wide range of theatrical approaches
- Discuss common issues with colleagues and devise practical solutions
- Come away with a folder full of effective plans guaranteed to **liven up** your lessons

For EU
grant
holders too !!
